

# June 11, 2024 Awards Dinner

Join the ASSP Greater San Jose Chapter for this Education and Networking session on June 11, 2024 with three guest speakers.

## About the Presentation

### Smart Safety Design to Prevent Slip, Trips, and Falls

**Presenter: Kevin Crotty, Regional Sales Manager and Brandon Guse, Director of Sales from Slipnot**

This session will cover basic principles on slip, trips and falls and provide applications and selection criteria to select slip-resistant products.

### EHS Meets DEI: Enhancing Organizational Performance

**Presenter: Melinda Anderson, CSP, Staff EHS Training Instructor from Tesla**

This session offers a dynamic exploration of the intersection between EHS and DEI within the contemporary business landscape. In a concise format, participants will gain an understanding of how integrating EHS and DEI principles goes beyond compliance, becoming a strategic imperative for organizational excellence.
