

# ASSP MEMBER BENEFITS

## BUILD YOUR OSH COMMUNITY

- Our large network of chapters across our U.S. and global regions provide accessible, face-to-face opportunities that will help you become a better safety professional.
- Connect with safety professionals who understand your line of business or area of expertise by joining an ASSP practice specialty.
- Join an ASSP common interest group to connect with diverse voices across age, gender and ethnicity.
- Access our member directory to contact experts who can help you solve your daily challenges.
- Connect with mentors who can help you navigate the safety profession and solidify your career path while forming lifelong friendships that can help you grow personally and professionally.
- Find safety professionals, or be discovered by organizations looking for safety professionals with the ASSP job board – an online safety career center where employers can post job openings and members can post resumes and search for jobs.

## ATTEND TOP-QUALITY EDUCATION

- Participate in webinars, online courses and microlearning, as well as in-person conferences, certificate programs and certification preparation courses. As an ASSP member, you will receive significantly discounted fees, and some events are free.

## ACCESS EXPERT CONTENT & INFORMATION

- Read *Professional Safety* – rated the #1 member benefit. Each peer-reviewed issue delivers the latest technical knowledge on OSH and safety management, developed through research and on-the-job experience.
- Shop our member-discounted online bookstore for all the professional resources you need, from textbooks and standards to publications that will help you prevent workplace fatalities, injuries and illnesses and improve business outcomes.

## ELEVATE THE PROFESSION

- Use our governmental affairs advocacy tools to navigate the legislative process and ensure that your voice is heard on important OSH issues.
- Support industry-advancing initiatives such as the Risk Assessment Institute and the Center for Safety and Health Sustainability.

## LEAD THE PROFESSION

- Build your leadership and team-building skills by getting involved in our many committees and councils.
