Women in Safety Excellence

## YESTERDAY'S SAFETY VS TOMORROW'S PROFESSIONAL

**EVENT DETAILS:** January 25, 2024 | 11:30 am - 12:30 pm PST

The GSJC Chapter WISE Community Group is hosting an online technical session open to All.

In this panel discussion “Cannabis: Perspectives from Quality and Legal Experts,” Adele L. Abrams, Esq. & Tariq Tongue, CSP will discuss the ramifications of legalization of cannabis in the workplace and risk management practices pertaining to cannabis. Questions? Please submit them prior for consideration.

### Speakers:

Adele Abrams, Esq, ASP, CMSP

### Bio:

Adele is an attorney, safety professional and trainer who is president of the Law Office of Adele L. Abrams P.C., a multi-attorney firm focusing on safety, health, and employment law nationwide. Adele is an ASP and certified mine safety professional, and she also provides consultation, safety audits and training services to MSHA and OSHA regulated companies.

Adele is a regular columnist for numerous magazines on legal, employment, mine, and occupational safety/health issues, and is co-author of several books related to mining, construction, employment law, and occupational safety and health.

Tariq Tongue, CSP

### Bio:

Tariq Tongue is an accomplished safety professional, certified by BCSP, with almost ten years of experience in occupational health and safety. He is currently the President of IMPACT by the National Cannabis Risk Management Association and the Quality Assurance Manager for Cana Nevada, Nevada's largest facility for cultivation and production.

Tariq joined the cannabis industry in 2021 to bring his years of safety experience from high-risk industries and improve the sector. He has established Cana Nevada as a company that prioritizes safety and employee well-being in its company culture. Tariq also dedicates time to advise and host OSHA 10 and 30 classes for local cannabis cultivations, production facilities, and dispensaries.
